Recommendation Letter

I am writing to express my support for Md. Ashik Shikdar application for a Master's degree at your esteemed University. I have been acquainted with him for the past five years, during which time I was the Assistant Professor of the Department of Civil Engineering at IUBAT – International University of Business Agriculture and Technology. Being a supervisor and Assistant Professor at IUBAT, I have had numerous opportunities to observe him.

Mr. Shikdar is capable of recognizing the ethics and significance of work and is compatible with working in a group under strict deadlines with a positive attitude. Additionally, he is well-organized. He can pick things up fast. He always keeps strong communication with his lab mates and is cooperative. In the research job, where he always looks for curiosity, his analytical and curious mind always drives him to be creative. Leadership, humility, perceptiveness in identifying areas requiring enhancement, and the determination to undertake the necessary efforts for progress are all traits that we highly esteem in academia and are clearly apparent in her future prospects.

I believe he can demonstrate his potential through his dedication to work, knowledge, and skills if he is granted the opportunity to enroll in your University. He will be an invaluable asset to your research team.

Therefore, I wholeheartedly support his application for admission to your esteemed institution and financial assistance.

Best regards

Mohammad Osman Ghone

RECOMMENDATION FOR MD. ASHIK SHIKDAR

To whom it may concern

I have known Mr. Md. Ashik Shikdar for about three years as his teacher in the Department of Civil Engineering at IUBAT - International University of Business Agriculture and Technology. He graduated from IUBAT in January 2024 with a CGPA of 3.82 on a scale of 4.0. I taught him two courses: Structural Analysis and Design I, and Project Evaluation, Planning, and Management during the third and fourth years of his undergraduate studies. His performance in those courses was commendable. As a student, he was intelligent, hardworking, and actively participated in class, demonstrating utmost devotion to his academic pursuits. I would rank Mr. Shikdar among the top 10% of all the students (approximately fourteen hundred) I have taught at IUBAT since 2019.

Mr. Shikdar also possesses good moral character and maintains positive relationships with his classmates and teachers. I strongly believe that with his solid academic background and motivation to excel, Mr. Md. Ashik Shikdar can be an asset to any academic or research institution.

I, therefore, strongly recommend Mr. Shikdar for the position he has applied for at your esteemed institution, along with the appropriate assistance. I wish Mr. Shikdar the best in his academic and personal endeavors.

Sincerely

Suvash
